

VERIGOLD'S INTELLECTUAL PROPERTY POLICY

New York City, NY (1st May 2015) – Today, Verigold Jewelry announced a series of measures to protect all its jewelry designs & collections. This will include meticulous in-house accounting of the designs, their copyrighting, and aggressive enforcement.

Mr. Sumit Shah, Managing Director - Renaissance Jewellery Ltd., said, “In this age of hyper-connectivity and global competition, we feel that IP protection is very important and required to ensure that our business & customers continue to flourish. Our merchandisers & designers have developed very innovative concepts & collections and the new policy will ensure the protection of our intellectual property.”
