CORPORATE SOCIAL RESPONSIBILITY POLICY

Renaissance Group recognizes its Social & Environmental responsibility. The Interdependence of economic, social and environmental interests is fully acknowledged at Renaissance Group. The Company is conscious about the impact of its activities on the environment, consumers, employees, communities, stakeholders and all other members of the public sphere.

We strive to build a better, sustainable way of life for the weaker sections of society by actively contributing to the social and economic development of the communities. Our focus areas are Health care, Education, Sustainable livelihood and Infrastructure development.

The Renaissance Foundation was set up to shoulder the Company's social & Environmental responsibility in October 2009. Through Renaissance Foundation, the Company focuses on the areas of social responsibilities and is continuously involved in activities related to – Betterment of Healthcare Infrastructure, Child Education and extending a helping hand to the aged ones, destitute and the drought hit regions.

We will achieve these CSR and development activities in association with local government bodies, district authorities, etc. Similarly we collaborate with the like-minded agencies/NGOs to share ideas, experiences, and ensure that efforts are not duplicated.

A specific budget is allocated for CSR activities. This budget is project driven.

This policy shall apply to all CSR initiatives and activities taken up at the various work locations of Renaissance Group, for the benefit of different segments of the society, specifically the deprived, underprivileged and differently able persons.
