PRESS RELEASE

Renaissance Global Clarifies No Material Impact from Revised Import Duty on Precious Metals

Mumbai, May 15, 2026: Renaissance Global Limited (RGL) wishes to clarify that the recent revision in import duty on gold and silver from 6% to 15%, and on platinum from 6.4% to 15.4%, is not likely to materially affect RGL's business operations or financial performance.

RGL's manufacturing operations are carried out from its facility located in SEEPZ Special Economic Zone, Mumbai. Imports of precious metals by RGL are undertaken for authorized manufacturing and export activities, and continue to be governed by the applicable SEZ framework, including eligible customs duty exemptions.

Since RGL is primarily engaged in manufacturing and exporting finished jewellery products from the SEZ, the revised import duty structure is not expected to have any adverse impact on RGL's cost structure, margins or profitability.

Further, revenue from RGL's domestic business comprises sales through IRASVA outlets only, which contributes less than 1% of the Company's total revenue. Accordingly, the revised import duty structure is not expected to have any material impact on RGL's operations or financial performance.

This is for your information and records.
